Certificate of Warranty

For Our Valued Compaq Customer

Warranty Information

What is the warranty for my Compaq All-In-One Product?

Your Compaq All-In-One Product is covered by a Compaq One Year Limited Warranty from the date of purchase. This limited warranty is valid only within the United States or Canada, and only within the country in which your product was purchased.

Compaq's Extra Mile Service Program features free technical support during the one-year warranty period. Contact the Compaq Technical Support Center 1-800-OK-COMPAQ (1-800-652-6672). Additional technical support is available after the warranty period has expired for a nominal fee. Call technical support for details. Technical support specialists are available to diagnose and troubleshoot problems seven days a week, 24 hours a day.

How do I obtain warranty service?

Call Compaq's Technical Support Center at 1-800-OK-COMPAQ (1-800-652-6672). Compaq's highly trained technicians will first try to resolve the problem by telephone. If your problems cannot be resolved by telephone, Compaq will ship an exchange All-In-One Product to you. Upon receipt of the exchange product, pack the defective product into the carton which contained the exchange product and make it available for pickup by a Compaq authorized representative. If you fail to return the defective product within 5 business days, you will be responsible for the full amount of the replacement product.

If you prefer, your All-In-One Product may be mailed to Compaq to be repaired and returned rather than exchanged. In either case, Compaq pays for all shipping charges.

How do I obtain online support?

Compaq offers free technical support via its Internet web site at www.compaq.com. Select Support. You may also visit the Compaq Support Forum at forum.compaq.com to receive quick answers to your Compaq product questions.

What is not covered by this limited warranty?

- Routine cleaning, or normal cosmetic and mechanical wear

Limited Warranty Statement for the United States and Canada

This One Year Limited Warranty applies in the United States and Canada to Hardware Products manufactured or distributed by Compaq Computer Corporation (Compaq) under the Compaq brand name.

A Compaq Hardware Product is defined as the Compaq All-In-One Product. Contact your Compaq authorized reseller or Compaq if you have any questions about this Limited Warranty. Compaq's obligations with respect to Software distributed by Compaq under the Compaq brand name are set forth in the applicable end-user license agreement. Compaq has no other obligation to repair or replace software under this limited warranty. Non-Compaq Hardware and Software Products are provided on an as-is basis. However, non-Compaq manufacturers, suppliers, or publishers may provide their own warranties.

Terms of the Warranty

Compaq warrants that the Hardware Product (Product) you have purchased from Compaq or from a Compaq authorized reseller is free from defects in materials or workmanship under normal use during the warranty period. The warranty period commences on the date of purchase. Your sales receipt is your proof of the date of purchase. This warranty extends only to you, the original purchaser. It is non-transferable. It excludes expendable parts.

During the warranty period, Compaq will, at no additional charge, repair or replace defective parts with new parts, or at the option of Compaq, serviceable used parts that are equivalent or superior to new parts in performance.

All exchanged parts and Products replaced under this warranty will become the property of Compaq. If, after repeated efforts, Compaq is unable to restore the Product to good working order, you are entitled to a refund of the purchase price.

This Limited Warranty is valid only within the United States or Canada, and within the country in which the Hardware Product was purchased.

This Limited Warranty extends only to Products purchased from Compaq or from a Compaq authorized reseller.

This Limited Warranty also does not extend to any Product that has been damaged or rendered defective (a) as a result of accident, misuse, or abuse; (b) as a result of an act of God; (c) by operation outside the usage parameters stated in the Product's User's Guide; (d) by the use of parts not manufactured or sold by Compaq; (e) by modification of the Product; or (f) as a result of service by anyone other than Compaq, a Compaq authorized reseller, or a Compaq authorized service provider. Compaq is not responsible for damage to or loss of any programs or data. Contact your local Compaq authorized service provider for geographic restrictions, proof-of-purchase requirements, response time commitments and other specific on-site service requirements.

EXCEPT AS EXPRESSLY SET FORTH IN THIS WARRANTY, COMPAQ MAKES NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. COMPAQ EXPRESSLY DISCLAIMS ALL WARRANTIES NOT STATED IN THIS LIMITED WARRANTY. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED TO THE TERMS OF THIS EXPRESS LIMITED WARRANTY.

Limitation of Remedy

Compaq is not liable for any damages caused by the Product or by the failure of the Product to perform, including any lost profits, lost savings, incidental damages, or consequential damages. Compaq is not liable for any claim made by a third party or made by you for a third party.

This limitation applies whether damages are sought or a claim made under this warranty or as a tort claim (including negligence and strict product liability), a contract claim, or any other claim. This limitation cannot be waived or amended by any person. This limitation of liability will be effective even if Compaq or an authorized representative of Compaq has been advised by you of the possibility of any such damages. This limitation of liability, however, will not apply to claims for personal injury.

U.S.A. State Laws

Some states do not allow limitation on how long an implied warranty lasts. In such states, the limitations or exclusions of this Limited Warranty may not apply to you. Some states do not allow the exclusion or limitation in incidental or consequential damages for consumer products. In such states, the exclusion or limitation of this Limited Warranty may not apply to you. This Limited Warranty gives you specific legal rights. You may also have other rights that may vary from state to state. You are advised to consult applicable state laws for a full determination of your rights.
